Dome® Stackers™

Double your capacity within the same footprint.

BDS2203

BDS2483NL

BDS4266

With Dome® Stackers™ and connectors, you can customize a configuration to fit virtually any space, making your operation more efficient, more organized and more professional.

Dome units snap together easily with a simple connector piece.

Removable 1 pint and 1 quart standard trays allow easy cleaning, chilling and restocking of garnishes

Optional 2 quart and 1.5 pint deep trays offer twice the capacity of competitor stations

Patented Dome® lid offers extra capacity and rotates back for easy access

Integrated snap-on caddies store straws, stirrers and picks
