SlimFit Upright Glass Door Range

LG166FA

LG165FZ

- Slimline SlimFit design fits tight retail and hospitality spaces
- Aluminium alloy curved door frame with recessed handle
- Digital display and electronic temperature controller
- Dual lighting system with independent light switch
- Adjustable powder-coated shelving for flexible configuration
- Auto defrost with self-evaporating condensate for maintenance-free operation
- Lockable, self-closing door with rodent protection
- Natural low-GWP refrigerants, R290 for LG165FZ and R600a for LG166FA
- LG165FZ Display Freezer operates down to -22°C with Fan-Forced Cooling
- Triple-glazed heated glass door with Low-E pane helps prevent condensation and fogging
- LG166FA Beverage Fridge chills from 0°C to +10°C with fan-assisted cooling
- Energy efficient operation at 1.95 kWh/24h for low running costs

NEW PRODUCT

SPACE-SAVING DESIGN
Slim width fits small corners and space-conscious retail environments.

FRIDGE OR FREEZER
Choose from refrigerator (0°C to +10°C) or freezer (down to -22°C) to suit your products.

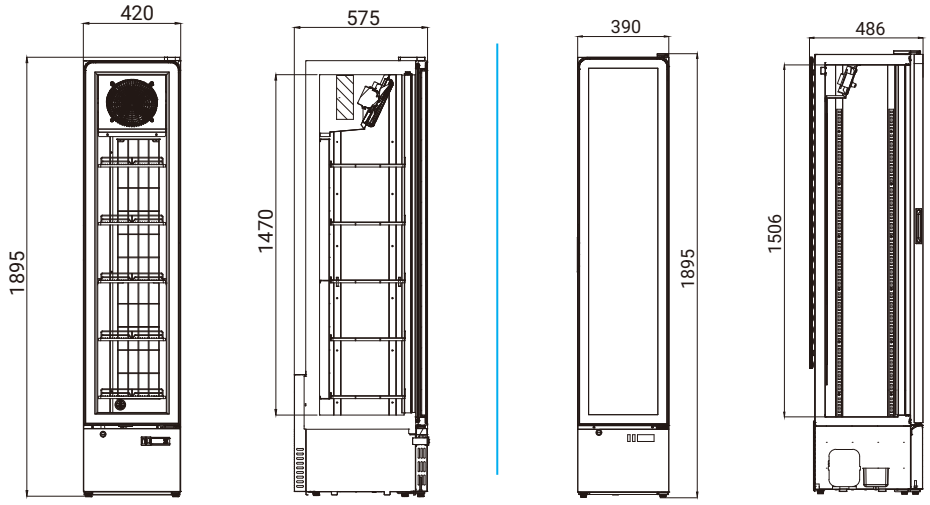

IDEAL FOR
Cake shops, cafés, corner stores, pharmacies, offices and more.

RELIABLE PERFORMANCE
Fan-forced cooling and auto defrost for consistent temperature and low maintenance.

ENERGY EFFICIENT
Low-GWP refrigerants and energy efficient design help reduce energy consumption.

LG166FA
BEVERAGE FRIDGE 0°C to +10°C

LG165FZ
DISPLAY FREEZER Down to -22°C

HIPS Beverage Fridge

The Upright Glass Door HIPS Beverage Fridge integrates a variety of high-quality features. Its exterior, made of black painted steel, is stylish, attractive, and durable. The LED lighting design is energy-efficient, providing a clear and bright interior view. The efficient cooling system ensures long-lasting and stable cooling performance and excellent energy efficiency.

The device features a frost-free design and a self-evaporation system, making it more convenient and worry-free to use. Combining practical and user-friendly operation functions with safe and efficient performance ensures outstanding performance in commercial environments.

- Durable HIPS Interior Liner resists cracking and chipping from daily commercial use
- Hygienic HIPS surface is easy to clean, odour-resistant and food-safe.
- Lightweight construction contributes to lower unit weight and easier handling
- Digital control and temperature display
- Double glazed, external tempered glass
- Fan-forced cooling
- Frost free design
- Natural and eco-friendly refrigerant
- Slimmer size without compromising on loading quantity
- Auto evaporation
- 10 Star GEMS Rating
- Condensation barrier
- 2 castors and 2 feet
- 20kg shelf capacity
- Bright, clean and anti-glare embedded LED ceiling light
- Door is not reversible, left hinge opening available on request
