## Hob Mount Infrared Sensor Tap

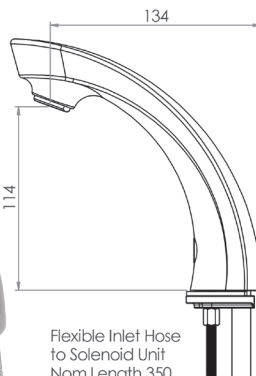

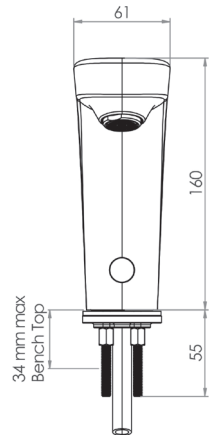

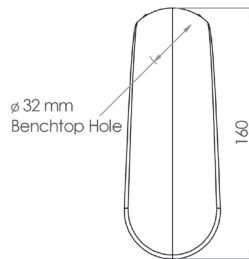

- T-3MSS-HMSTB
- T-3MSS-HMSTB-TV
- T-3MSS-HMSTM
- T-3MSS-HMSTM-TV

Available in mains and battery powered, with optional tempering valve

- Battery powered – 2x CR123 3V Lithium Batteries
- Mains powered – 6V transformer
- Full stainless steel construction
- Sensor range nominal: 50mm – 200mm
- Maximum run time: 60 seconds
- WELS 6 Star 4LPM
- Working pressure range 150kPa-500kPa
- Maximum operating temperature 50 degrees

\* Power Supply with 3 metre lead available separately

## FIRST IN FULL STAINLESS STEEL WITH PREMIUM 2 YEAR WARRANTY

Designed, fully assembled and individually bench tested in Australia.

**Stainless Steel Sensor Taps** The 3monkeez® range of high quality sensor taps, constructed from stainless steel, offer a modern design that will suit a wide range of applications.

The sophisticated infrared sensor technology provides touch free operation that is hygienic and ideally suited to public applications. This provides an environmentally friendly, water efficient and cost saving option.
