### EQUIPMENT FOR PROFESSIONAL KITCHENS

Safety, reliability, better quality of the finished product, greater availability of human resources, savings in time and money can be summed up in one word: CUCIMIX. It is a gas or electric tilting bratt pan with direct heating and built-in mixer, designed for large catering services and the food industry.

### THE BEST IN TILTING BRAISING PANS

This multifunctional cooker is complete, innovative and sturdy, ideal for countless applications, from sauces to jams and marmalades, from meat to steamed vegetables. Among the equipment for professional kitchens, Cucimix is really one of the most versatile and evolved, since it allows different types of preset cooking: steaming, boiling, pressure cooking, braising and browning.
