

FSM D Series Display Cabinets make a real statement for your hot or cold food products. With stainless steel base and glass shelves, the units provide even temperature throughout the whole cabinet with carefully controlled fan assist air flow. Castors are supplied as standard, and quality over-sized components give above average performance at no extra cost.

COLD DISPLAY CABINETS

Features include:

- ▶ polished stainless steel finishes
- ▶ three white base glass shelves
- ▶ sliding rear doors
- ▶ castors fitted as standard
- ▶ Stainless steel base
- ▶ LED lighting for maximum impact
- ▶ Auto defrost system
- ▶ Oversized refrigerant system to maintain product freshness
- ▶ Compartment glass is hardened
- ▶ Performance tested at ambient 32°C for excellent performance
- ▶ Available in matching hot display cabinet - see below
