

RECTANGULAR HEATED WELL

POWER UP-3KW

HEATMAX

Hatco Heat-Max Rectangular Heated Wells are specially designed to hold a wide variety of foods, including soups, curry, gravies and a variety of toppings, providing flexibility. A variety of optional adapter kit provides different operation needs.

The temperature is monitored by an electronic controller for optimum results. All units are equipped with a control panel featuring three temperature set points from 50°C to 100°C and an energy saving low power mode that saves electricity during off-peak hours. Heat is evenly distributed throughout the unit to hold foods at desired temperatures and the insulated stainless steel design provides easy maintenance and durable performance.

FEATURES INCLUDE:

- Three temperature set points from 50°C (122°F) to 100°C (212°F).
- Energy saving low power mode.
- Insulated stainless steel design.
- "Anti-Drip" design of well edge prevents water, sauce and condensation from flowing to the outside of unit.
- Four optional adapter kit for soup kettle, sauce warmer, steam warming and reheating pre-cooked pasta.
- Drain for easy cleaning and maintenance.
- Available in freestanding or built-in models.

A full range of accessories are available including ladles and steamers for specific requirements
