

WasteStation Compact F79/240

- Compact version of the market leading WasteStation
- Fast and efficient disposal of up to 100kg of food waste per hour
- No loading schedule, process waste as and when you need to
- Handles up to 400 covers per sitting - ideal for small to medium kitchens
- Transport Savings - reduce waste collection costs by up to 80% by reducing the food waste volume and weight requiring collection
- Storage Savings - by reducing the waste volume, on site waste storage facility requirements are also reduced
- Labour Savings - the self-cleaning system reduces staff time managing and processing any food waste
- Energy Savings - compact design and short processing times ensure low operating costs and minimal use of kitchen floor space
- Single-phase power supply
- Self-cleaning rinses the de-waterer
- Supplied with wall mounted control box with fixing bracket
- Feet can be lifted up to enable unit to be wheeled in to position
