

CONDIMENT PUMP SERVICE CENTRES

San Jamar offer a range of excellent systems for food and bar service.

Condiment Pump Service Centres are perfect for dispensing condiments, dressings and sauces.

They are great for self-service areas and back-of-house applications where portion control is critical.

- Available in two, three and five well centres.
- Ultra Pumps dispense 28.34g/1oz portions per stroke.
- Jars are removable for easy cleaning and refilling.
- 2.36L black jars offer an upscale look to the attractive stainless steel design.
