

BarBoss® Advance®

Model: VM10103

The Ultimate Blender For Every Beverage Program

Whether preparing blended drinks, simple syrups or purees for cocktail bases, the BarBoss® Advance® is an essential tool for adding or expanding a beverage program. With 6 optimized programs, automatic shut-off and pulse control, it delivers consistent and delicious drinks every time.

Features

- 6 optimized programs and automatic shut-off means you can turn it on, walk away, and consistently blend beverages
- Pulse control quickly refreshes drinks for efficiency
- Advanced motor is designed to resist overheating when blending extra-thick ingredients resulting in cooler operation and enhanced reliability during peak hours of operation
- Clear, durable 1.4 litre container complete with Ice blade assembly
- Perfect for the creation of signature drinks
