LIGHT AND HEAVY DUTY COMMERCIAL MICROWAVES

Subject to availability

Samsung reserve the right to change the design and specification of goods without notice. Descriptions in the leaflet are correct at the time of going to press but are subject to alteration. Details of any changes will be available.

Samsung was founded in 1938 in South Korea and is now a global multinational corporation leading in several major industries. Samsung considers 'the World' as its client and aims to provide products and services of new and greater value. It has over 300 offices in 70 nations, employing over 270,000 people worldwide. Samsung professional appliances are designed and built to an excellent standard using high quality components that will stand the test of time.

Introducing the Range

First introduced in 1998 the brand-leading Samsung range of professional microwave ovens offers something for everyone - from the light duty range for cafe's, bars and low volume vending sites to the heavy duty high-speed 'Gastro' range for fast-food outlets, restaurants and busy bars.

Range Features for all models:

- 5 power levels for greater cooking versatility
- One piece dishwasher proof roof liner
- One touch +20 seconds button
- Pull to open door with large display window
- Stackable

Additional features on programmable touch control models:

- 30 program facility - for regular menu items or self service vending
- Multi-stage cooking
- Cycle-counter - records how often each program is used
- Program lock - allows one-touch operation
- Variable beep tone
- Heavy gauge stainless steel body and cavity
- Dual magnetron top feeding microwave distribution ensures even cooking pattern
- Easily removable air filter

Light Duty Models- CM1089/CM1099 1100 Watt

Ideal for cooking or reheating in light duty locations such as small cafes and restaurants, low volume vending sites, offices and staff rooms.
